

CARROLL COUNTY TRI-LEVEL

June 19, 2010

Carroll County is sponsoring a Tri-Level league for both men and women this late summer and fall. The league starts in mid-August and will go until October. Winners of the men's and women's leagues will go directly to Sectionals in Virginia in January, and the winners there go to Nationals in late March at Indian Wells, California. For those of you unfamiliar with the format, tri-level has a 4.5 pair on Court 1, a 4.0 pair on Court 2, and a 3.5 pair on Court 3. Anyone can play up if a team is short, but you cannot play down below your rating.

Captains interested in this format should try to secure 3 or 4 per rating level – 12 is probably the largest you want on a team unless you have lots of contacts. Play will be on Saturdays and Sundays at various Carroll County High Schools (primarily Century and Liberty which each have 6 new courts, so 2 matches at the same time slot.) and the cost is \$37 per player (home team furnishes balls). Combo will be going on at the same time in Columbia, but since Tri-level is a different division than Combo, the 2 person rule does not apply.

We are hoping for at least 5-6 teams per gender, but take more if there is interest. Any players or captains that are interested, please send an email to Jon Smith at jon.smith.1234@comcast.net.
